## Parade Information:

- Parade float staging begins at 4:30 p.m. and we ask that all floats arrive no later than 5:40 p.m. (The earlier the better!). Floats will be lined up on a first-come basis.
- **Staging area will be at the fairgrounds parking lot.** There will be ample lighting for safety and to allow for any prep work.
- **Per the City of Garden City parade ordinance, throwing candy or other objects from a parade float is prohibited.** Floats in violation will be pulled from the parade. You may have people walking that hand candy out.
- **This is a night time parade so the more lights on your vehicles and floats the easier your props and decorations are to see, and the more festive it is.** We also recommend putting a sign with lights on your vehicle to identify which company or group you are with.
- Each organization is responsible for clean-up of all live animals involved with their float. You must notify us at the time the application is filled out if you plan to have live animals. Clean-up fines may be assessed by the City of Garden City for non-compliance.
- Inclement weather cancellations will be made on Sunday, December 5<sup>th</sup> by noon.
