Kansas Department of Revenue Sales Tax Requirements

All federal, state and local laws governing retail sales tax must be followed. I understand the rules and regulations of the show and will comply. I realize that failure to comply may result in expulsion from the show.

Vendors are required to display their sales tax certificate at their booth during the event.

The local sales tax rate is 8.95% (Rates subject to change). To find the current rate, access KDOR's website at www.ksrevenue.org.
